[The Holy Qur'an] O Prophet! Say: "Obey Allah, and obey the Messenger." Say: "We have obeyed the messenger; to him has Allah ordained guidance; and to him has Allah promised mercy; and to him has Allah promised the good tidings that those with Him will be raised to degrees higher than the degrees of the angels; and as for those who have gone before them, they had an excellent example. You will have a good tidings from Allah and a mercy; so give good tidings to the believers." (Holy Qur'an: 33) Allah says in the Holy Qur'an that the Prophet Muhammad (sallalahu alaihi wa sallam) is a blessed prophet, and that he received a lot of blessings from Allah, and that he was guided by Allah, and that Allah promises the believers good tidings, and that he promised the believers a good tidings. And he said: -Say: 'We have obeyed the messenger; to him has Allah ordained guidance; and to him has Allah promised mercy; and to him has Allah promised the good tidings that those with Him will be raised to degrees higher than the degrees of the angels; and as for those who have gone before them, they had an excellent example. You will have a good tidings from Allah and a mercy; so give good tidings to the believers.' Allah says that those who receive Allah's blessings, and who follow His commands, will have good tidings, and that he will send to them good tidings, that will bring them pleasure, and also, that will bring them good peace. It will be because of their righteousness that they will have an excellent example for others to follow, because the Holy Prophet has said that the best of the people of this world will be the prophet, and that they will follow in his footsteps. And Allah says in the Qur'an: The people of the book: We have given the Book to you as it is We have sent down for you a Book which is proper, which makes things clear, which is a guidance and good tidings to those who have taqwa. (Holy Qur'an: 4) Allah says that He has sent the book down for the believers, for it is the right thing for them, and it is the true guidance for them, so they should follow it, and he also says that he has sent the Prophet Muhammad 82157476af
